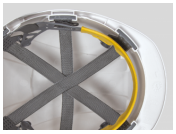
FEATURES



Supreme Comfort

A 6-point textile cradle harness system & Chamlon™ cotton sweatband offer unrivalled comfort.

Firmest Fit Available

The deep nape strap enables the firmest retention of any helmet, keeping it firmly rooted on the head. Available with either the Revolution® Flex wheel ratchet or the OneTouch™ slip ratchet.

Accessories

A universal attachment slot enables firm fitting of a range of Surefit™ safety visors, and ear defenders. EVOSpec® Integrated eyewear is also available.

3D Adjustment

The textile harness features unique 1-2-3 point depth settings. This offers the most precise fit attainable on an industrial safety helmet.

CR2™ Reflective

Using Class RA2, high intensity reflective. CR2 is the biggest step-up in night time visibility / reflectivity of head protection to date. Conforms to Class RA2, EN12899-1.

JSP Logo Express®

Strengthen your corporate identity by applying a company logo on a range of our safety helmets. Minimum order quantities and set-up charges apply.

Wire Gauze Visor

Surefit™ 20cm Wire Gauze Visor conforms to EN 1731, providing S-rated impact protection against large, low-speed particles.

Maximum Visibility

The vivid orange helmet shell and hi-vis ear defender cups work together to ensure maximum visibility for when working in densely packed forestry environments.

Linesman Harness

Complete with EVO® Linesman 4-point chinstrap. Tested and certified to EN 397, the chinstrap releases automatically at forces between 150N – 250N.

Pre-Fitted Accessories

The EVOLite® Forestry Helmet System is supplied with accessories, offering complete head, eye and face, and hearing protection, with a UV protective cape for neck coverage.
