Yes

Material  
30% Glass Filled Nylon

Universal Accessories Slot  
Yes

Integrated Eyewear  
Optional EvoSpec

BSI Kitemark  
Yes

Product Weight  
210g

## FEATURES

### Visor Range

Two high performance complete forestry systems are available, enabling users to select the perfect visor for their task and price point.

### Dual Layer Protection

The EVOGuard®M Forestry Helmet and Forestry Browguard Systems both feature a secondary layer of eye protection in the form of the integrated EVOSpec® polycarbonate retractable eyeshield.

### Supreme Comfort

Features an easy to use Revolution® wheel ratchet and a 3D-Adjustment harness, which offers 1-2-3 point depth settings for increased adaptability to ensure a perfect, secure fit.

### Supreme Comfort & Fit

Features the new JSP Revolution® wheel ratchet, securely tightening and holding the unit firmly in position, no matter the task or amount of user movement involved. System comes complete with a wraparound, soft foam backed, replaceable, Chamlon™ sweatband offers superior comfort.

### Balanced & Secure

Fitted to a browguard or helmet, the self-lubricating nylon hinges hold the visor securely in position even during extreme movement, whilst offering balanced, even weight distribution.

### Product Compatibility

Designed to maximise compatibility with a broad range of JSP products, such as the Force®8 respirator with PressToCheck™, Springfit™ disposable masks and the Sonis® helmet mounted ear defender range.

### Coverage

EVOGuard® visors provide comprehensive facial coverage without limiting movement or vision.

### Maximum Adjustability

Multiple fitting positions allow the wearer to adjust the browguard in three ways. An over the crown slide fitting combined with a forward and back adjustment, maximises compatibility with different head shapes.

## APPLICATIONS

General guidance only and should not be considered a substitute for a full risk assessment

Agricultural

Forestry & Landscaping
