SPECIFICATIONS

Material
100% Polyester cape with water-repellent coating

Machine Washable At
At 40°C, for 20 cycles

Product Weight
153g

Material
Nylon Frame

Recyclable
Yes

FEATURES

UV Protection

The sun cape offers UPF 50+ rating with increased coverage to ensure optimum protection from harmful UV radiation.

Easy Cleaning & Maintenance

Cape can be wiped clean and is easily removed from internal frame for machine washing at 40°C.

Water Replent Coating

Sun cape material features a water-repellent coating to cover the wearer against light rain and dirt.

Breathability

Lightweight internal frame keeps the cape positioned away from the head, creating a gap to allow cool air flow. The cape itself has a rear peak to prevent it from lying against the wearer's neck.

Ear Defender Compatible

Covers on each side of the cape open and fasten behind the head, providing a close fit around ear defenders. This enables use of hearing protection while maintaining effective UV protection.
