# TECHNICAL SPECIFICATION

## K2<sup>™</sup> 2-Point Harness

K2™ 2-Point Harness / FAR0401

## DESCRIPTION

The premium  $K2^{\text{TM}}$  harness range combines quality materials with innovative features for optimum ergonomic performance, comfort, and safety.

This harness has two ideally positioned attachment elements for fall arrest and restraint purposes, with fully adjustable shoulder, chest and thigh straps that use quick release buckles. Parking loops and lightweight aluminium hardware also make this a user friendly product.
