3 Years

Product Weight
Power Pack & TH2A2P R SL Filter 1400g

FEATURES

Comfort

Waist mounted blower unit with fully automatic alarm and integrated battery attached to a wide comfortable waist belt.

No Face Fit Testing

As a loose-fitting respirator, Jetstream® is suitable for users with neatly trimmed, well-groomed facial hair and does not require face fit testing.

Comfort

Waist mounted blower unit with fully automatic alarm and integrated battery attached to a wide comfortable waist belt. Complete unit and belt weigh just 765g.

Adaptable

A wide range of kits, filters and head tops are available to suit a variety of tasks.

High Performance

180 litres of air per minute are delivered through the Jetstream® filter via a highly flexible hose to the desired head top.

Easy Cleaning

Quick and easy cleaning; hood, filter housing, blower unit, and hose can be wiped clean with a damp cloth soaked in mild detergent solution.
