## SPECIFICATIONS

 Mounting Headband	 SNR 32 dB
Cup Material ABS	Head Band Material TPE
Adjustable Yes	Hygiene Hygiene Kit
 BSI Kitemark Yes	 JSPCheck Yes
 Recyclable Yes	 Product Weight 234g

## FEATURES

### Performance

The Sonis® range of ear defenders have been designed by the JSP R&D team. Working with a leading UK acoustic engineering research facility they have developed an ear defender range that peaks at an unbeaten 37 SNR.

### Customisation

Sonis® cups can be coloured to meet a corporate identity. They can also be printed with a company logo for improved brand recognition and to discourage theft. MOQ's apply.

### Hygienic

The headband is manufactured from TPE, making it easy to wipe clean. The sealing rings are easy to replace. Hygiene kits are available for each model.

### Comfort

The over-moulded headband has a built-in comfort area with ventilation. The headband force and the cushion surface area work together to provide optimum cushion pressure and comfort.

### Adjustable Steel Arms

To facilitate even distribution of pressure the wearer can tilt and adjust the position of the earcup for optimum comfort and fit.

### Extra Visibility Option

The Sonis® range is available with extra visibility cups and a reflective headband for added low light protection.

## APPLICATIONS

General guidance only and should not be considered a substitute for a full risk assessment

Forestry & Landscaping

Hospitals, Healthcare & Pharmaceuticals

Welding
