FEATURES

Comfort

Waist mounted blower unit with fully automatic alarm and integrated battery attached to a wide comfortable waist belt.

No Face Fit Testing

As a loose-fitting respirator, Jetstream® is suitable for users with neatly trimmed, well-groomed facial hair and does not require face fit testing.

Comfort

Waist mounted blower unit with fully automatic alarm and integrated battery attached to a wide comfortable waist belt. Complete unit and belt weigh just 765g.

Simple Maintenance

Key components are available as spare parts, enabling simple maintenance and the option to purchase several head tops or filters.

Adaptable

A wide range of kits, filters and head tops are available to suit a variety of tasks.

High Performance

180 litres of air per minute are delivered through the Jetstream® filter via a highly flexible hose to the desired head top.

Easy Cleaning

Quick and easy cleaning; hood, filter housing, blower unit, and hose can be wiped clean with a damp cloth soaked in mild detergent solution.

RANGE

Jetstream®
