

TECHNICAL SPECIFICATION

Cough Guard 2

Cough Guard 2 / AHV970-001-100

DESCRIPTION

Crystal clear APET 0.3mm lens provides a layer of protection, helping to block aerosols and droplets. The Cough Guard 2 can be worn or fitted to a JSP bump cap to reduce the likelihood of exhaled bacteria/virus contacting the wearer's face. It is not specifically certified and tested for COVID-19 protection.

This product is secondary protection does not meet the requirements of EN166 (including splash protection or impact protection), and must be worn with primary safety eyewear or goggles. This product is not PPE as defined by the EU PPE Regulation 2016/425.
