	Product Weight 74.34g		Recyclable Yes
	Kit Supplied With: EVO® 2,3,5,DS,Lite,Skyworker™ Arms. EVO8/EVOLite Badgeholder Arms. EVOGuard® Browguard Mounting System		

FEATURES

Visor Range

Two high performance complete forestry systems are available, enabling users to select the perfect visor for their task and price point.

Balanced & Secure

Fitted to a browguard or helmet, the self-lubricating nylon hinges hold the visor securely in position even during extreme movement, whilst offering balanced, even weight distribution.

Dual Layer Protection

The EVOGuard®M Forestry Helmet and Forestry Browguard Systems both feature a secondary layer of eye protection in the form of the integrated EVOSpec® polycarbonate retractable eyeshield.

Product Compatibility

Designed to maximise compatibility with a broad range of JSP products, such as the Force®8 respirator with PressToCheck™, Springfit™ disposable masks and the Sonis® helmet mounted ear defencer range.

Supreme Comfort

Features an easy to use Revolution® wheel ratchet and a 3D-Adjustment harness, which offers 1-2-3 point depth settings for increased adaptability to ensure a perfect, secure fit.

Coverage

EVOGuard® visors provide comprehensive facial coverage without limiting movement or vision.

Coverage

EVOGuard® visors provide comprehensive facial coverage without limiting movement or vision.

High Quality Materials

The EVOGuard®M2 Forestry Visor is comprised of an ABS over-moulded frame with a woven stainless steel visor material.

Impact Protection

The EVOGuard®M2 Forestry Visor features an S - Impact rating, offering increased impact resistance when fitted to a EVOGuard®M Forestry browguard or helmet unit.

Visible Light Transmittance

The EVOGuard®M2 Forestry Visor offers 70% visible light transmittance.
