EIGENSCHAFTEN

UV50 Protection

The neck cape offers UV50 protection from the sun's rays when working in hot, open environments.

Lightweight

The neck cape is lightweight and can be folded neatly for efficient storage when not in use.

Curved Design

The neck cape features a curved design that fans out to provide extended coverage to the wearer's ears.

Compatibility

Multiple attachment points enable easy fitting to JSP EVO® helmets and Hardcap Aerolite® bump caps.
